William S. Middleton Memorial Veterans Affairs Hospital & Clinics

### **How many hours per week do you work at this job?**

30 hours per week

### **How many years have you worked at this job?**

Almost 4 years

### **What is the best part of your job?**

My best part of the job is the people and their post/present war stories.

### **What is the name of your employer?**

As a small business owner, I am my own boss. But I get a lot of support from Artworking, a non-profit agency that supports disabled artists. Artworking helps me with things like doing taxes, putting my designs on T-shirts and marketing my products.

### **How many hours per week do you work at this job?**

I work about 3 hours on Monday, Wednesday and Friday afternoons for an average of 12 hours a week in my studio at Artworking. Sometimes I sell my merchandise at conferences. This usually means I have to take a day off from the library (my other job) for travel and make up the time another day.

### **How many years have you worked at this job?**

I've had my small business about 5 years. I continue to add new products to my business. I started to sell T-shirts this year.

### **What is the best part of your job?**

I like having my own business because it gives me a place to show my talents and creativity and sell my artwork. Because I have to take a bus to Artworking, it gets me out of my apartment several days a week. Artworking also gives me different opportunities to socialize because they have social activities like a Halloween Party and a picnic every year. The support I get from Lance Owens, Amy Elmer and the other people at Artworking helps make my business successful.
